Madeira

The island of Madeira is a green subtropical paradise of volcanic origin with a year-round summer climate. With its beautiful parks and gardens full of exotic flowers and varied wildlife, stunning coastal and mountain walks and the historic capital of Funchal, Madeira has rightfully been crowned best island destination in the world at the 2015 and 2016 World Travel Awards.

Casa Velha do Palheiro

Casa Velha was originally a hunting lodge for the Count of Carvalhal. In 1885, the estate was acquired by the Blandy family, synonymous with the Madeira wine trade, to whom it still belongs. Now an elegant 5-star luxury hotel, it forms part of the prestigious Relais and Chateaux hotel group.

Filled with sunlight and antiques, fresh flowers and floral chintzes, this peaceful hotel is beautifully preserved and brimming with country house charm. The attractive, cream coloured building with a terracotta-tiled roof has wisteria rambling along balconies and framing doorways which open out onto one of Madeira's most stunning gardens.

Within the extensive Palheiro grounds, there is an outdoor swimming pool and in the spa, an indoor heated pool with sauna, steam bath and a fitness room. There is also tennis, croquet, badminton and billiards. A private motor yacht is available for hire to go dolphin or whale watching or deep sea fishing. There are privileged tee offs at the Palheiro championship golf course from the 'Halfway House', a short stroll from the hotel gates.

Casa Velha Restaurant

Considered one of the best restaurants in Madeira with impeccable service, the menu of modern classic dishes is made from the best seasonal and locally produced ingredients, including plenty of freshly-caught seafood.

Bridge with Zeb & Claudia

Zeb Stocken has many years experience of teaching and hosting bridge events, and whether you come as a group, in a pair or on your own, you can be certain of an instructive and enjoyable game adapted to your level.

Claudia – Zeb’s sister – will be on hand to ensure the smooth running of your holiday and, as a keen and experienced bridge player herself, she will also be supervising bridge sessions. The bridge programme will be a mixture of teaching, supervised play and some duplicate – all played in a fun and friendly environment. The tuition sessions will use CompassCards (*set deals*) and a fun topic tailored to the group.

The other sessions will be supervised play or some form of duplicate, with prizes at the end of the stay. All bridge sessions are optional and open to all standards of play although we can only accommodate complete beginners if booked as a group of four. Water, tea and coffee will be available during play. Non-bridge playing partners are of course welcome.

It is important to stress that our holidays are not aimed at the type of player who likes a serious 24-board duplicate every night. Our ethos is that bridge should be a friendly and social game where you can meet like-minded people, and our holidays reflect that. No partner is needed on a StockenBridge holiday.

This stunning tour of the east of the island includes a visit to Pico do Areeiro, the third highest peak on Madeira, the village of Santana with its traditional A-framed cottages and Machico, Madeira's second largest town. We plan to have lunch in a lovely restaurant overlooking the sea.

2. Whale and Dolphin Boat Trip

A morning boat excursion along the beautiful Madeiran coastline to spot whales and dolphins will be followed by lunch in a local restaurant in the port of Funchal. After lunch, a trip up to the picturesque 'Nuns' Valley' and a visit to the famous Monte Palace Tropical gardens. Possibility to do either the morning or the afternoon if preferred.

Golf

Adjacent to the hotel, Palheiro Golf is one of Europe's most beautiful golf courses. This 18-hole par 72 championship golf course has magnificent views overlooking Funchal Bay. It passes through a verdant environment of maritime pine and botanical woodland, lined with lush, sub-tropical vegetation. 30% discount on green fees for hotel guests.

Palheiro Spa

The hotel has a fabulous spa with free access to the heated pool, sauna, steam room, fitness area and bar. A range of treatments can be booked.

Palheiro Gardens

The gated Palheiro Gardens, famous for their camellias, are open to the public and are a year-round place of pilgrimage for flower lovers offering great horticultural interest and a peaceful wildlife haven full of beauty and contrast. There is direct access and free unlimited entrance for hotel residents.

In and around the hotel

There are a number of marked walking trails through the hotel's estate and beyond. If you want to explore further, you can book a walking guide to take you on one of the island's classic walking routes.
